Chairman's Report

This is my last message, as my term of office ends next month at our AGM. The most enjoyable aspect of my chairmanship by far has been getting to know you, my fellow members, at coffee mornings, wine-tastings, and evening events during the past three years. I know you will continue to support my successor in his or her duties in the future, as you have supported me in mine. I wish you all the very best for this coming year, and hope you can make it to our AGM on March 24th.

Bill Weingart.

Become a councillor

Would you stand up for your neighbours if they needed help? Have you ever considered standing as a Conservative council candidate? Conservative Councillors are already working hard across the area by helping their neighbours and improving their communities.

We think that's worth standing for. If you agree we'd like to hear from you. You won't have to give up your job or surrender your social life, and you will receive all the support you need to be a fantastic local Councillor.
