Ormskirk MotorFest

Ormskirk MotorFest was on Sunday 24 August it was a fantastic day. People had an opportunity to see eye-catching models including a 1978 Williams Formula 1 motor racing car. There was also a classic BRM Formula 1 car, which was raced by Graham Hill at Aintree in the circuit's last Formula 1 race in 1964. Rally, racing and stock car competition vehicles, and classic, vintage and competition motorcycles were also be on show.

CCTV

West Lancashire Borough Council has made money available to provide additional CCTV cameras in Scarisbrick, Tarleton, Downholland and Burscough and is inviting people to give their views on where the cameras should be located.

The new cameras will bring the total number operated by the Council in West Lancashire to 102. The cameras are monitored 24/7 and play a vital role in helping prevent crime and disorder and increase public safety.

NEWS

Dalton

A play area in Skelmersdale is due to be revamped following a five year campaign by local Conservatives. Local residents contacted Cllr Adrian Owens around 2009 about the state of the play facilities at Dalton Park.

Cllr Owens explained: "At the time, the land and the play area itself were not within the ownership of the borough council. "I raised the issue with council officers and following many years of negotiations, the land is now finally within the council's ownership.

Ormskirk

West Lancashire Borough Council and Lancashire County Council have worked in partnership to draw up exciting proposals. These aim to enhance the paved section of Moor Street, from the Clock Tower to the Moorgate junction, to make the town centre more attractive and to strengthen restrictions on vehicular access to Moor Street, Burscough Street, Aughton Street and Church Street between 10am and 4pm.

Proposals as part of the £700,000 project include a new square on Moor Street where a regular series of events could be organised, becoming a feature of the town where people can socialise

The scheme also includes proposals to completely resurface Moor Street, with new paving complementing that used in nearby Aughton Street and Church street lights, litter bins and tree planting would be provided with a new layout to accommodate the Moor Street market stalls.
